

FORKLIFT

EFL 25/30/35 PRO

- Capacity 2.5/3.0/3.5t
- Lifting height 2700-6000mm
- 80V/280-560Ah Li-ion battery
- Electric hydraulic controls
- Travel speed 20 km/h

STACKER

RSL 16/16i PRO

- Capacity 1.6t
- Lifting height 2600-5500mm
- 24V/205-280Ah Li-ion battery
- Initial lifting version
- Travel speed 11 km/h

REACH TRUCK

CQD14/16 PRO

- Capacity 1.4/1.6t
- Lifting height 4000-9655mm
- 80V/150-205-280Ah Li-ion battery
- Travel Speed 11km/h

PALLET TRUCK

WAL16/20/25/30 PRO

- Capacity 1.6/2.0/2.5/3.0t
- Fork width 540/685mm
- Fork length 850-2400mm
- 24V/100-205Ah Li-ion battery
- Travel speed 6km/h
- Integrated charger

RPL20/25/30 PRO

- Capacity 2.0/2.5/3.0t
- Fork width 540/685mm
- Fork length 850-2400mm
- 24V/205-280Ah Li-ion battery
- Travel speed 12.5km/h

HIGH VOLTAGE FORKLIFT

EFL403/453/503-HV EFL503-HV-6/553-HV-6

- Capacity 4.0-5.5t
- Lifting height 3000-7000mm
- 309V/173Ah Li-ion battery
- Load center 500-600mm

EFL503/553-HVD EFL603-HV/703-HV

- Capacity 5.0-7.0t
- Lifting height 3000-7000mm
- 309V/228Ah Li-ion battery
- Load center 600mm

EFL803-HV/ EFL1003-HV

- Capacity 8.0-10.0t
- Lifting height 3000-7000mm
- 309V/304Ah Li-ion battery
- Load center 600-900mm

EFL1203-HV

- Capacity 12.0t
- Lifting height 3000-7000mm
- 309V/304Ah Li-ion battery
- Load center 600mm

EFL1603-HV/ EFL1803-HV

- Capacity 16.0-18.0t
- Lifting height 3500-5000mm
- 618.24V/228Ah Li-ion battery
- Load center 900-1200mm

EFL2503-HV

- Capacity 25.0t
- Lifting height 4000mm
- 618.24V/456Ah Li-ion battery
- Load center 1200mm

EFL3503-HV

- Capacity 35t
- Lifting height 4000mm
- 618.24V/456Ah Li-ion battery
- Load center 1200mm

The EP PRO Line

Founded in 2007, EP Equipment has become a global leader in lithium-powered material handling solutions. As modern logistics demands greater productivity, longer uptime, and a superior operator experience, EP PRO was developed to meet and exceed those expectations. The EP PRO Line represents our professional product range, covering pallet trucks, stackers, forklifts, and reach trucks. Designed for high-intensity environments, EP PRO delivers performance that matches – and often surpasses— leading competitors.

Professional Equipment. Elevated Performance.

EP PRO combines advanced engineering, premium components, and intelligent design to deliver uncompromising performance:

- High-performance operation with superior power, precision, and endurance
- Reinforced structures for maximum durability and reduced vibration
- Ergonomic, operator-focused design for all-day productivity
- High-voltage systems delivering exceptional efficiency and runtime
- Extensive standard specifications with flexible configuration options

Every detail is engineered to perform at the highest level – even in multi-shift, heavy-duty applications. □

Built for Leading Partners

EP PRO is designed for professional fleets operating in demanding environments such as major logistics hubs and manufacturing facilities – where reliability, efficiency, and performance are critical. It represents the premium tier of EP Equipment: created for forward-thinking partners who demand more, move faster, and lead their markets.
